

EXCEL CONSTRUCTION

2023 NON-PROFIT GRANT INFORMATION

Stand for What Counts

Excel Construction of Florida is offering up to \$15,000 in construction materials and labor for a new construction, renovation or beautification project to a qualifying non-profit organization in Miami-Dade, Broward or Palm Beach County.

About Excel Construction of Florida

Excel Construction of Florida, a leading commercial construction company servicing the southeastern U.S., specializes in tilt-wall shell buildings and interior construction of commercial Class A office and retail, industrial warehousing/manufacturing and healthcare facilities.

Established in the late 1990s, the company was founded on a handshake and built on a bedrock of the simple principle, "doing what we promise and owning everything we do."

Family and community also drive Excel Construction, a company that *Stands for What Counts*. Excel supports education, children, families and the environment, allocating funding each year to sponsor non-profits and donate time to various civic initiatives.

The Process

Non-profit organizations interested in applying must complete the application form and attach the required supporting documentation. Excel must receive the completed forms by **11pm EST on July 14, 2023**. The non-profit receiving the donation will be announced on National Non-Profit Day, August 17, 2023.

This application can be accessed at excelsf.com/2023grant.pdf or through the header on our website. Please note there are two parts to the application.

Completed applications can be emailed to grants@excelsf.com (25MB limit) or mailed/hand delivered to Excel Construction of Florida, Attn: Christina Harris, 11860 West State Road 84, Suite B11, Davie, FL 33325. Please submit 2 hard copies.

Guidelines

The award decision by Excel is final.

It is understood that there is no cash value. The \$15,000 is for a new construction, renovation or beautification project for a non-profit organization in Miami-Dade, Broward or Palm Beach County.

The project must be for new construction, renovation or beautification that does not require permitting.

The project must be able to be completed in the 2023 calendar year.

Excel reserves the right to:

- add the project to the company's website and social media
- distribute a press release announcing the project
- take photos and video during the project and upon completion
- distribute a press release and photos of the completed project
- submit the project for industry or community awards

Any questions can be directed to Samantha Van Nuys at svannuys@piersongrant.com.

PART II - Required Documentation

The following documents are required for funding consideration

- A full description of the proposed project. Please be as specific as possible.
- Photos of the existing space, pathway to the space, adjacent areas that may be affected, etc.
- A copy of the applicant's charter and by laws, as a non-profit organization in the State of Florida.
- Certificate or other document showing active status of the Corporation with the Secretary of State.
- A list of Board of Directors/Trustees.
- A Form 990 or set of Financial Statements prepared or audited by a Certified Public Accountant for the current and previous Fiscal Year.
- Proof that the applying non-profit organization has been in business for five years or more.
- A copy of your IRS Tax Exemption Letter.
- Proof of current property and liability insurance.
